Meghna!...

...Hurry Up!  
We'll be late for  
the wedding!

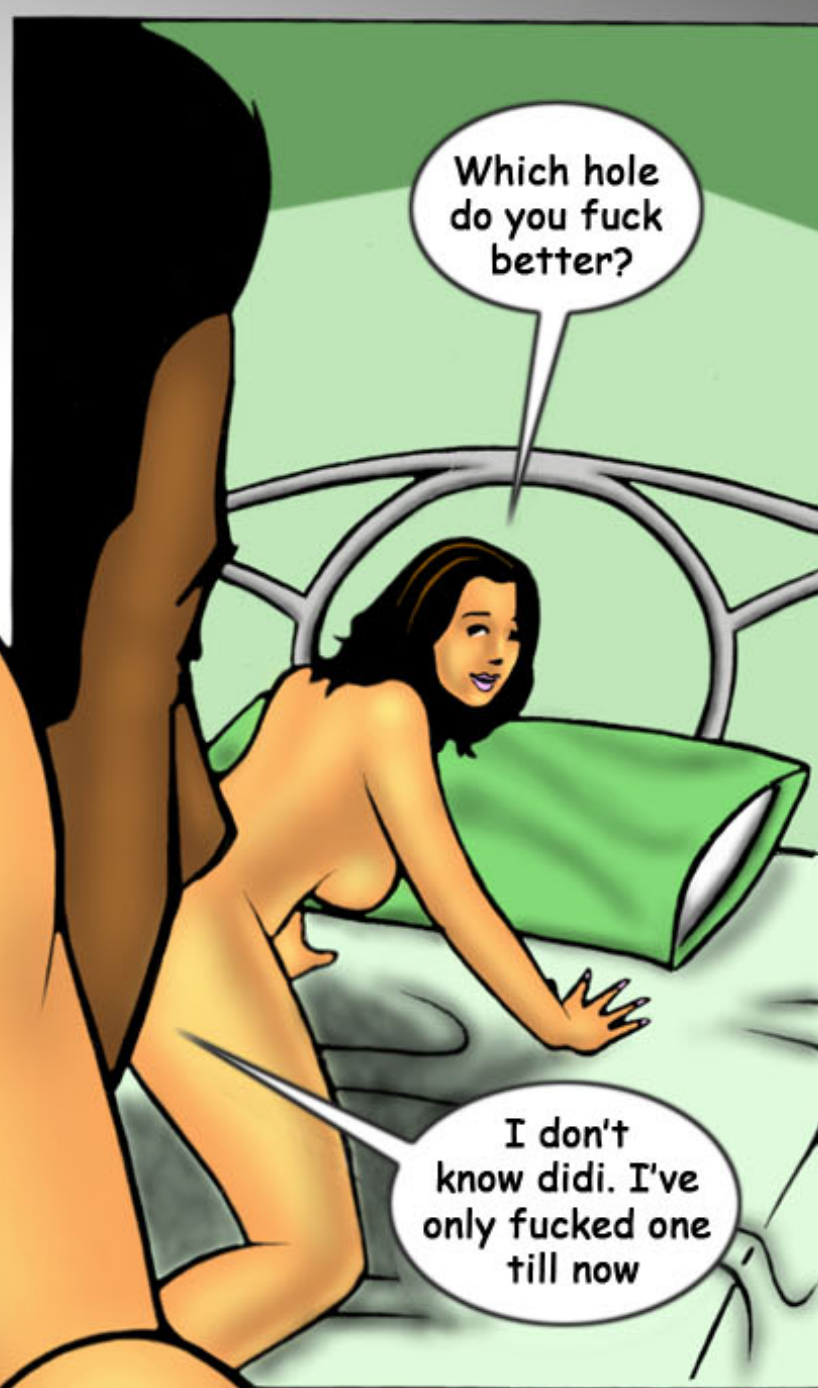

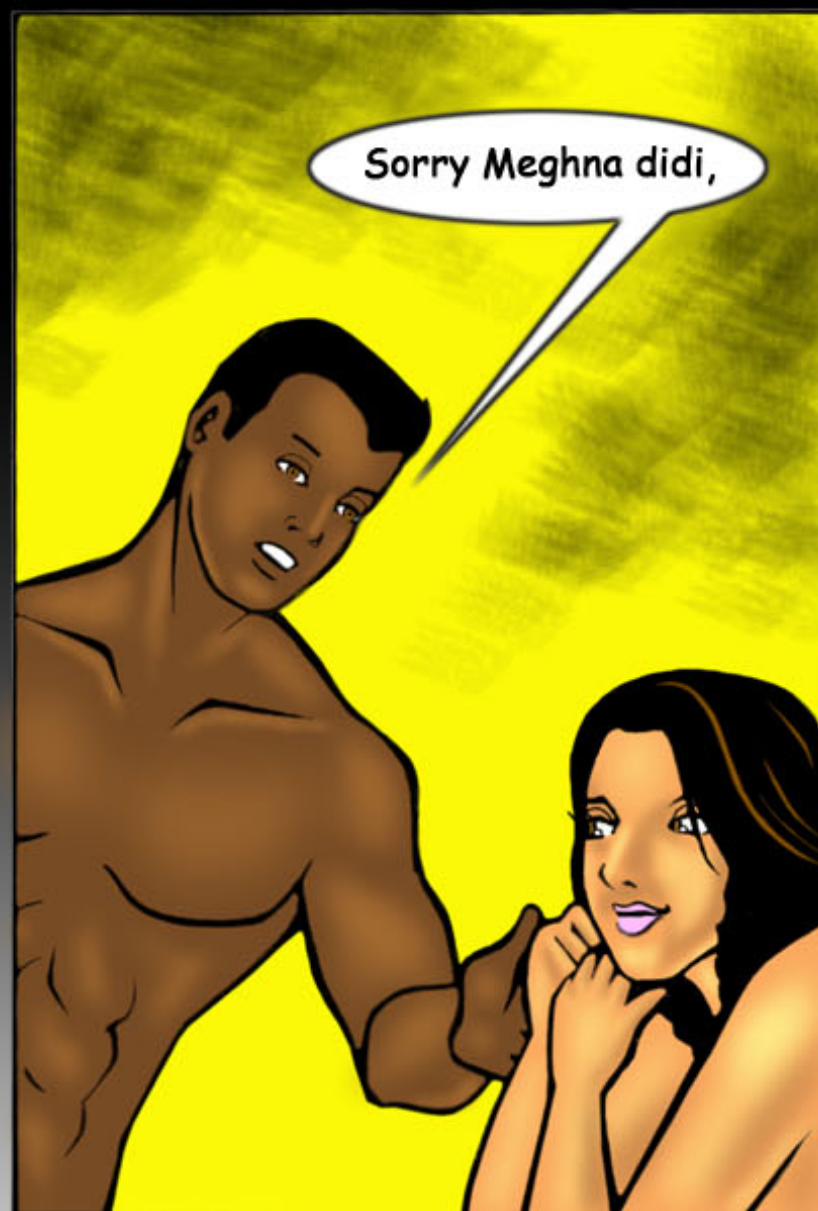

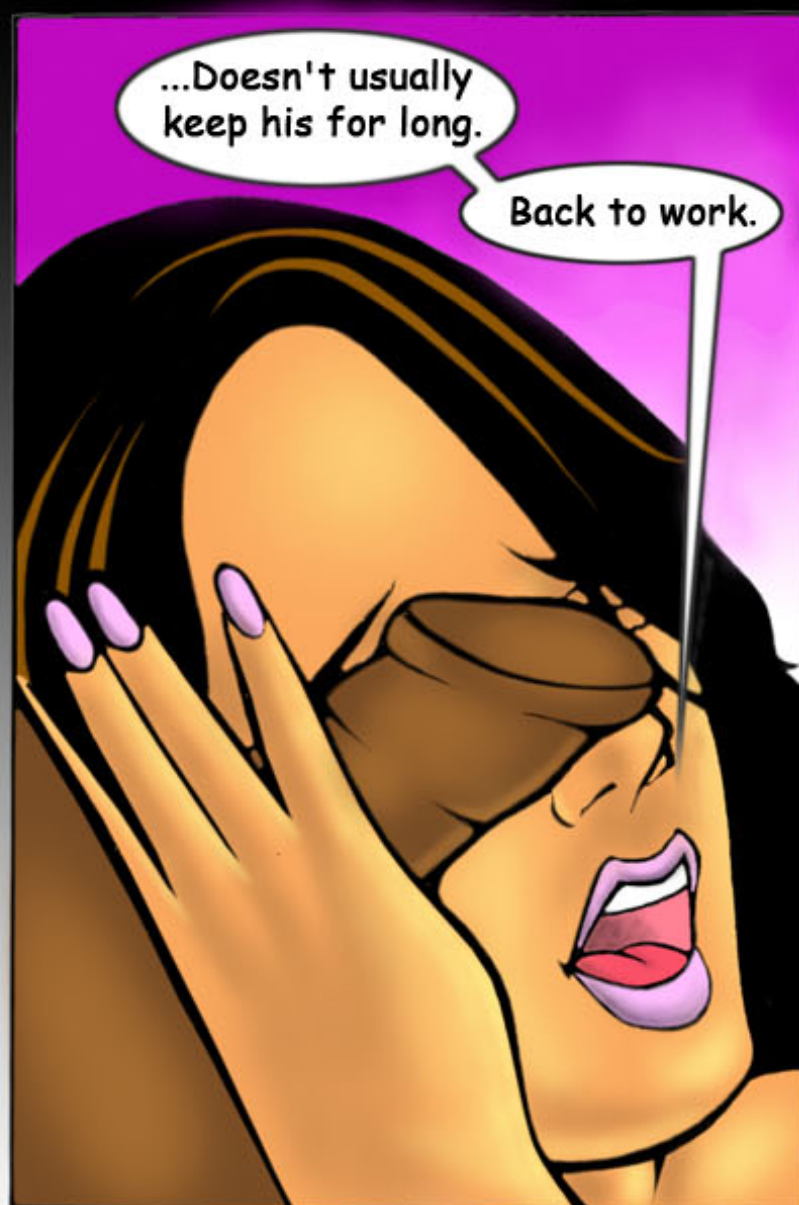

I'm getting  
dressed. Be right  
down!

Where do  
you think you're  
going?

But...?

A servant  
who doesn't finish  
the job...

Well, then you'll have to sample the other

If you say so, Didi.

First, my cunt.

My cunt is nice, isn't it?

Very nice, didi.

Now the other,

Do it!

Doesn't this hurt?

All the way, Gopi

YES! Oh, God! YES!

A comic panel depicting a family scene. At the top, a woman with dark hair and a bindi looks concerned. Next to her, an older man with a white mustache and a white shirt with a pink tie looks on. To his right, a woman with long dark hair is being choked by a large, thick, brown object. Below them, a thought bubble shows a man in a brown suit choking a nude woman. In the foreground, a man with a red earring looks at a woman in a blue and yellow sari who is holding a knife. A yellow thought bubble shows a nude woman. Confetti is falling on the right side.

She'll probably be late for her own wedding!

My dear, you must understand. It's got to be tough, all this fuss over her brother. She must be starved for attention.

Aren't you, beta?

Starved is the right word, Papa,

Meanwhile at the brides'

I know you're nervous. I was too..

You should be proud that you're marrying into a family of such wealth and esteem.

You're set for life! You'll be as happy as your father and I!

That's what I'm worried about.

You are right, Ma. I am lucky..

Jitesh is so handsome, don't you think?

A lot of girls would think so.

Ach! All men are the same except for where it counts.

The size of their wallets!

...which was the only thing lacking in my poor Rahul.

Who recommended  
this film, Rahul? The  
place is empty. It can't  
be very good..

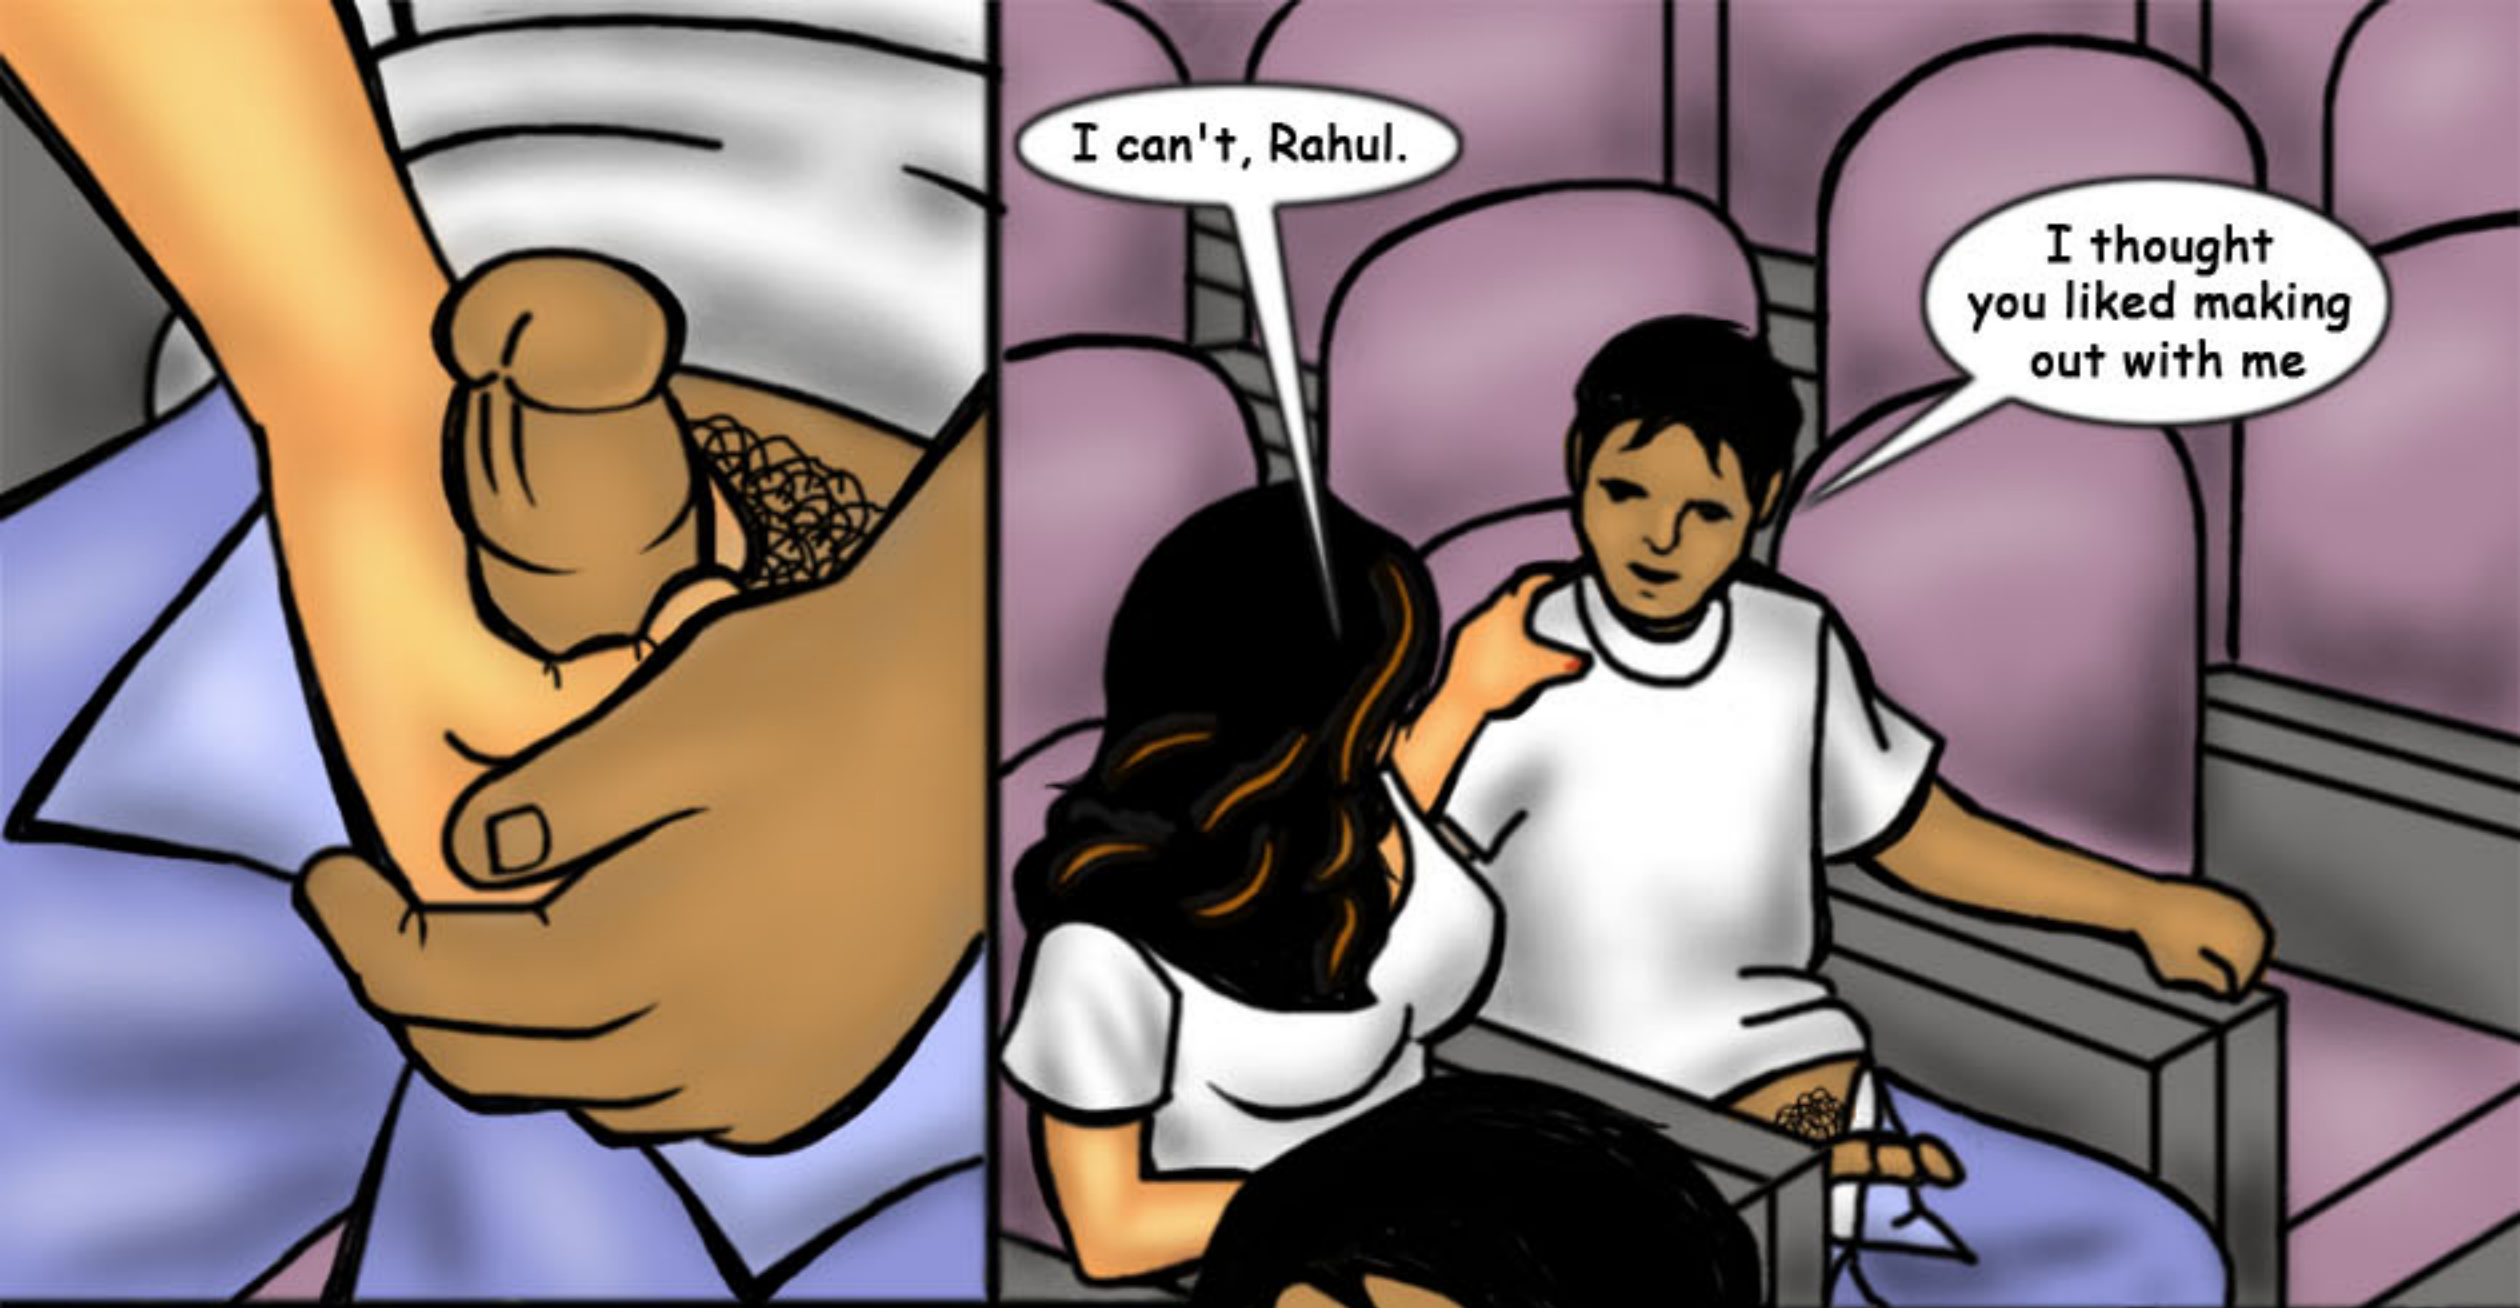

I know,

That's why  
I chose it.

I can't, Rahul.

I thought you liked making out with me

Oh, I do!

But we have to wait until we're married. Papa would be heartbroken if he found out.

Married?

Are you saying you want to marry me?

If you ever get around to asking me.

Now put that away,

Put your cellphone away! Its your brothers' wedding ceremony

Well brother, For my pretty bhabhi's sake, I hope you remember all the tricks I taught you.

After the wedding...

Why are weddings always so exhausting?

Jitesh Bhaiya will be in his suhag raat this very moment, ha ha...

He better not be tired.

I wonder what he's doing at this very moment.

I'll need lots of cream with that, Gopi!

Meanwhile, at the honeymoon suite...

It's lovely what they did to the room, don't you think?

I don't know how to put this, but...have you had sex before?

I saved myself for marriage.

So we will experience this wonderful moment for the first time together,

Is it OK if... I look at your body?

Of course, you are my husband.

Now what  
would you have  
me do?

You are very  
beautiful.

Oh, please. Go slowly.

Two minutes later...

I'm cumming.!

That was wonderful, wasn't it?

Uh ... yes.

This is what I've waited so long for?

Next morning...

You're up late, Seema bhabhi!

Did you not sleep well on your wedding night, ha ha ha?

Are you going to class? Is anyone going to stay home with me?.

The servants will be help with anything you need. I've got class this morning and I can't be late again. See you later!

Yeeeeeah....

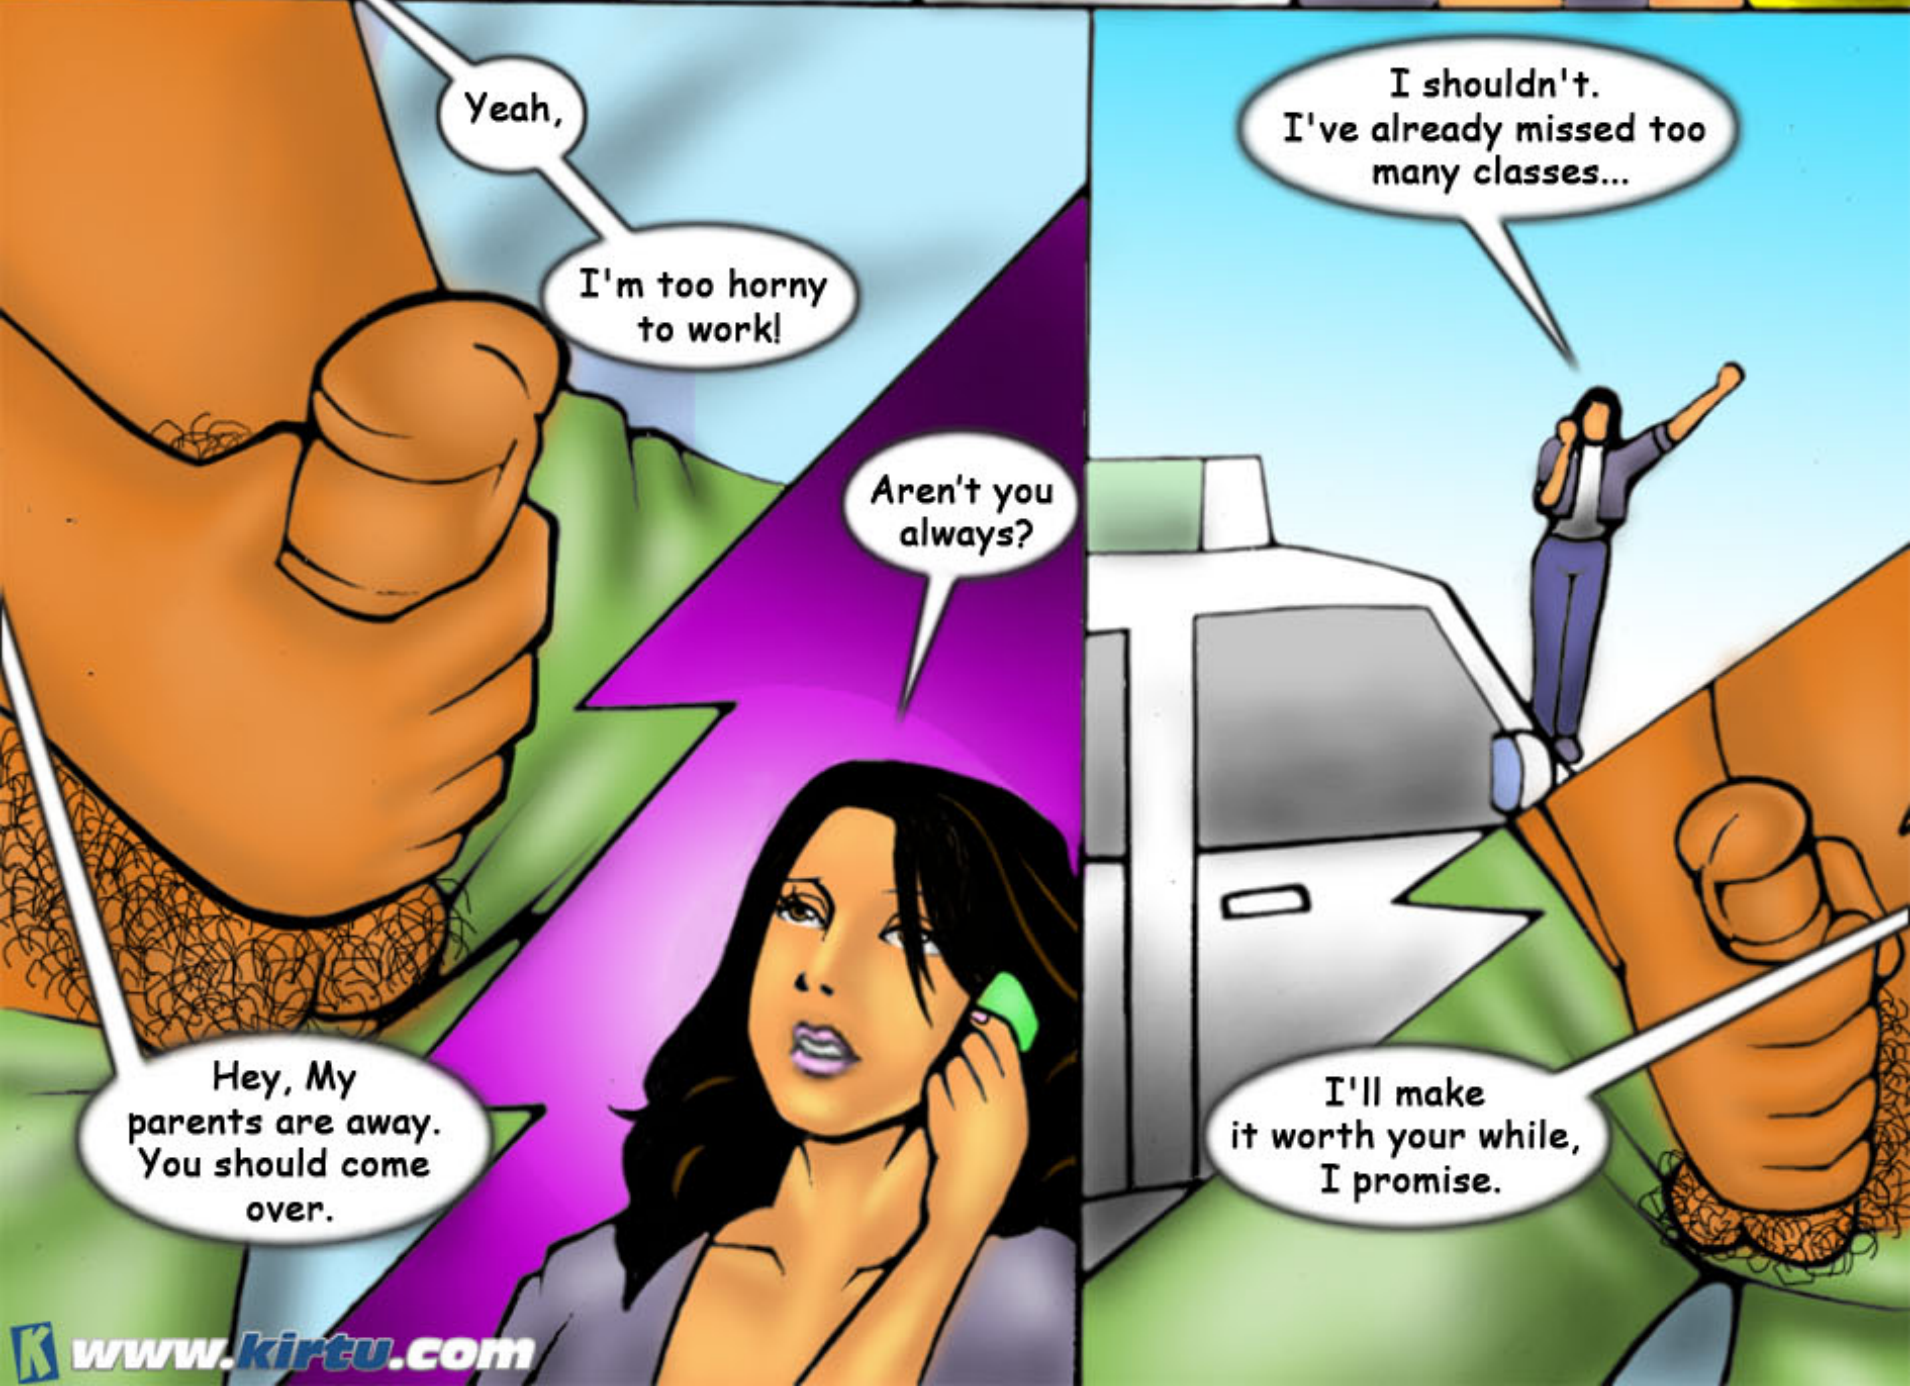

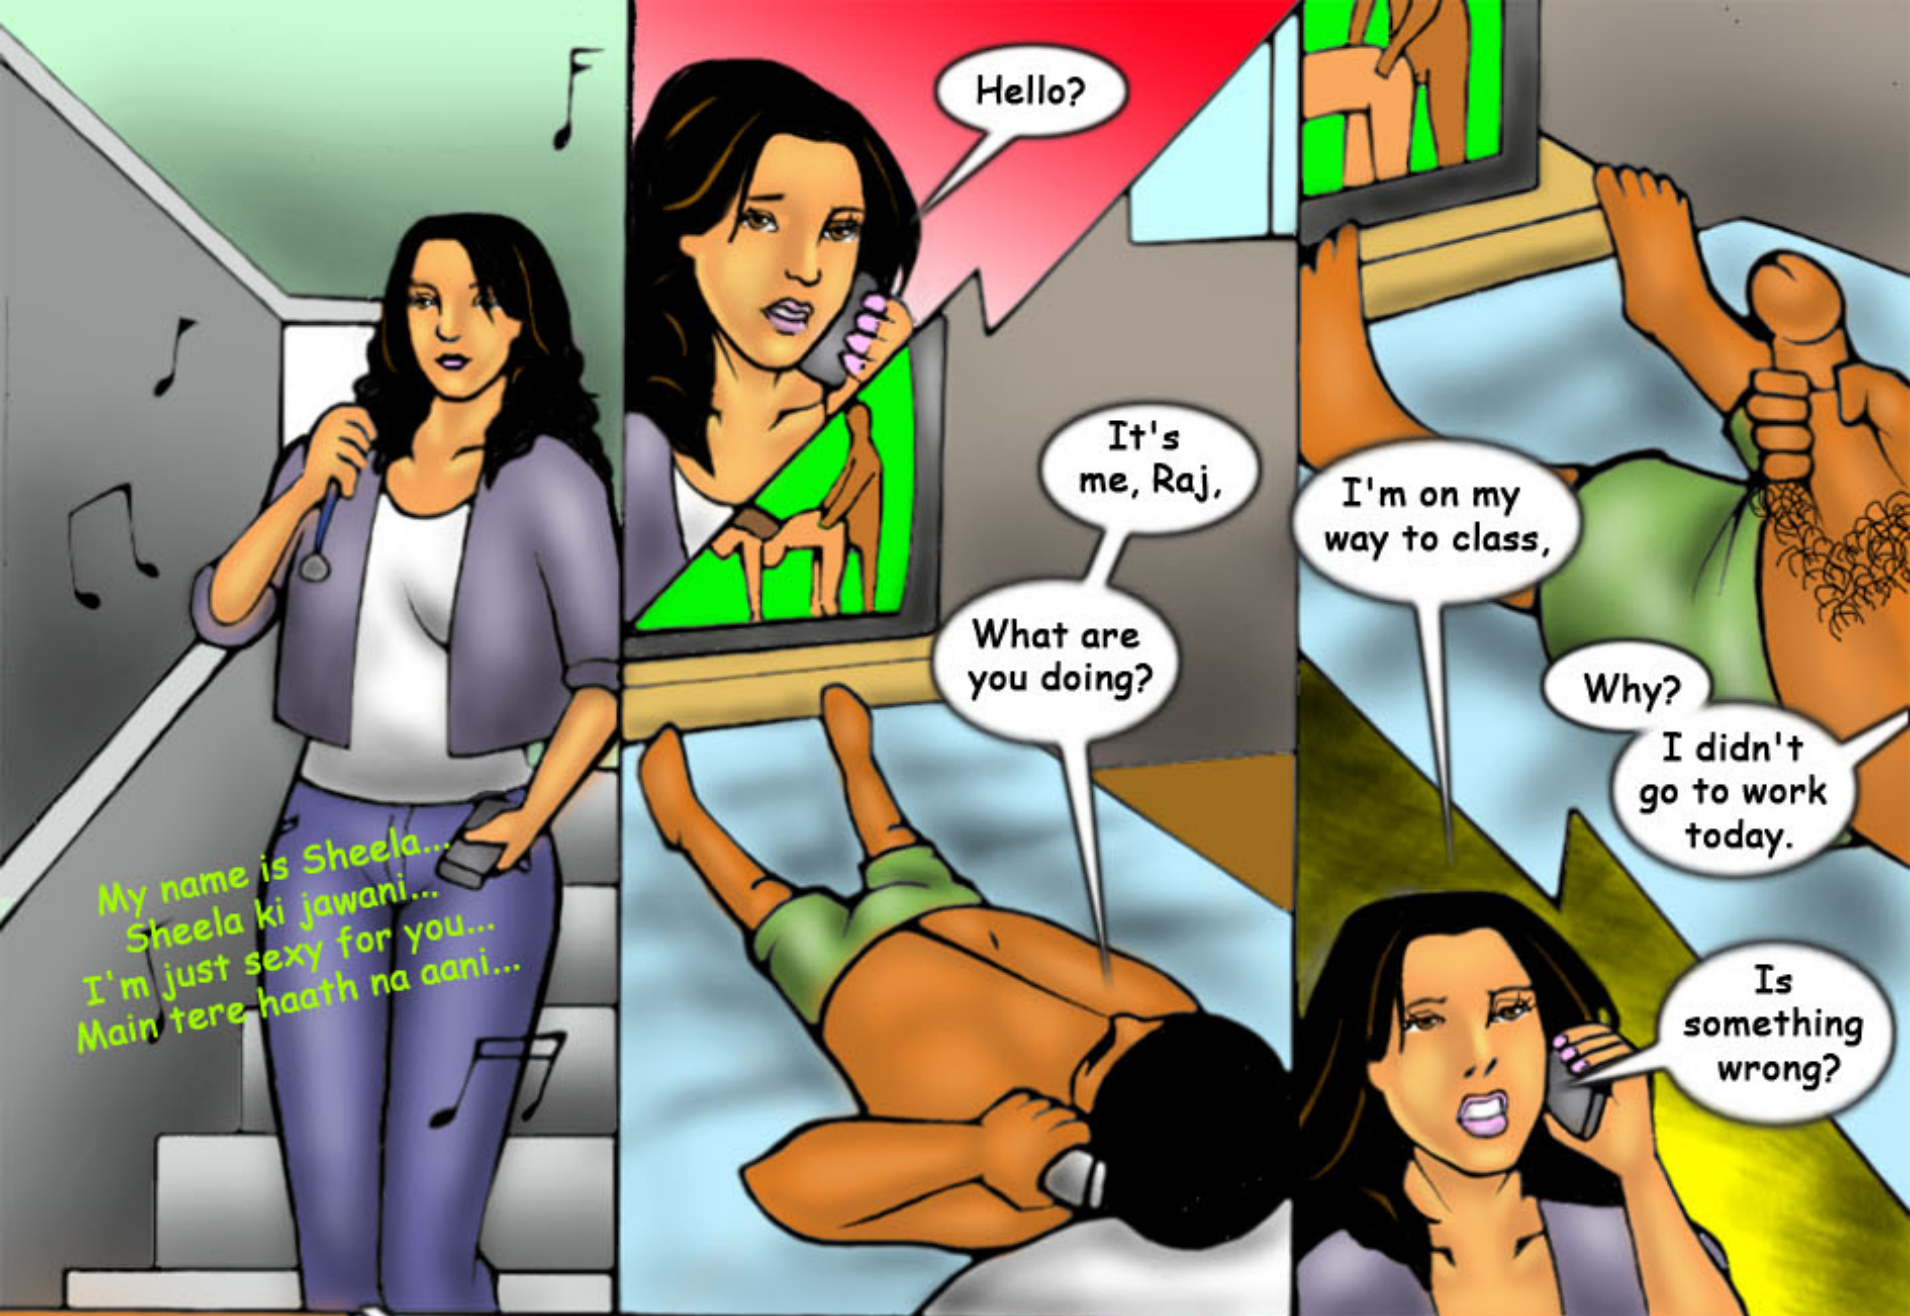

Maybe I should ask her out.

You guys are crazy.

Raj would kick your asses.

Me, too. I don't have bad breath like you, and my cock's bigger.

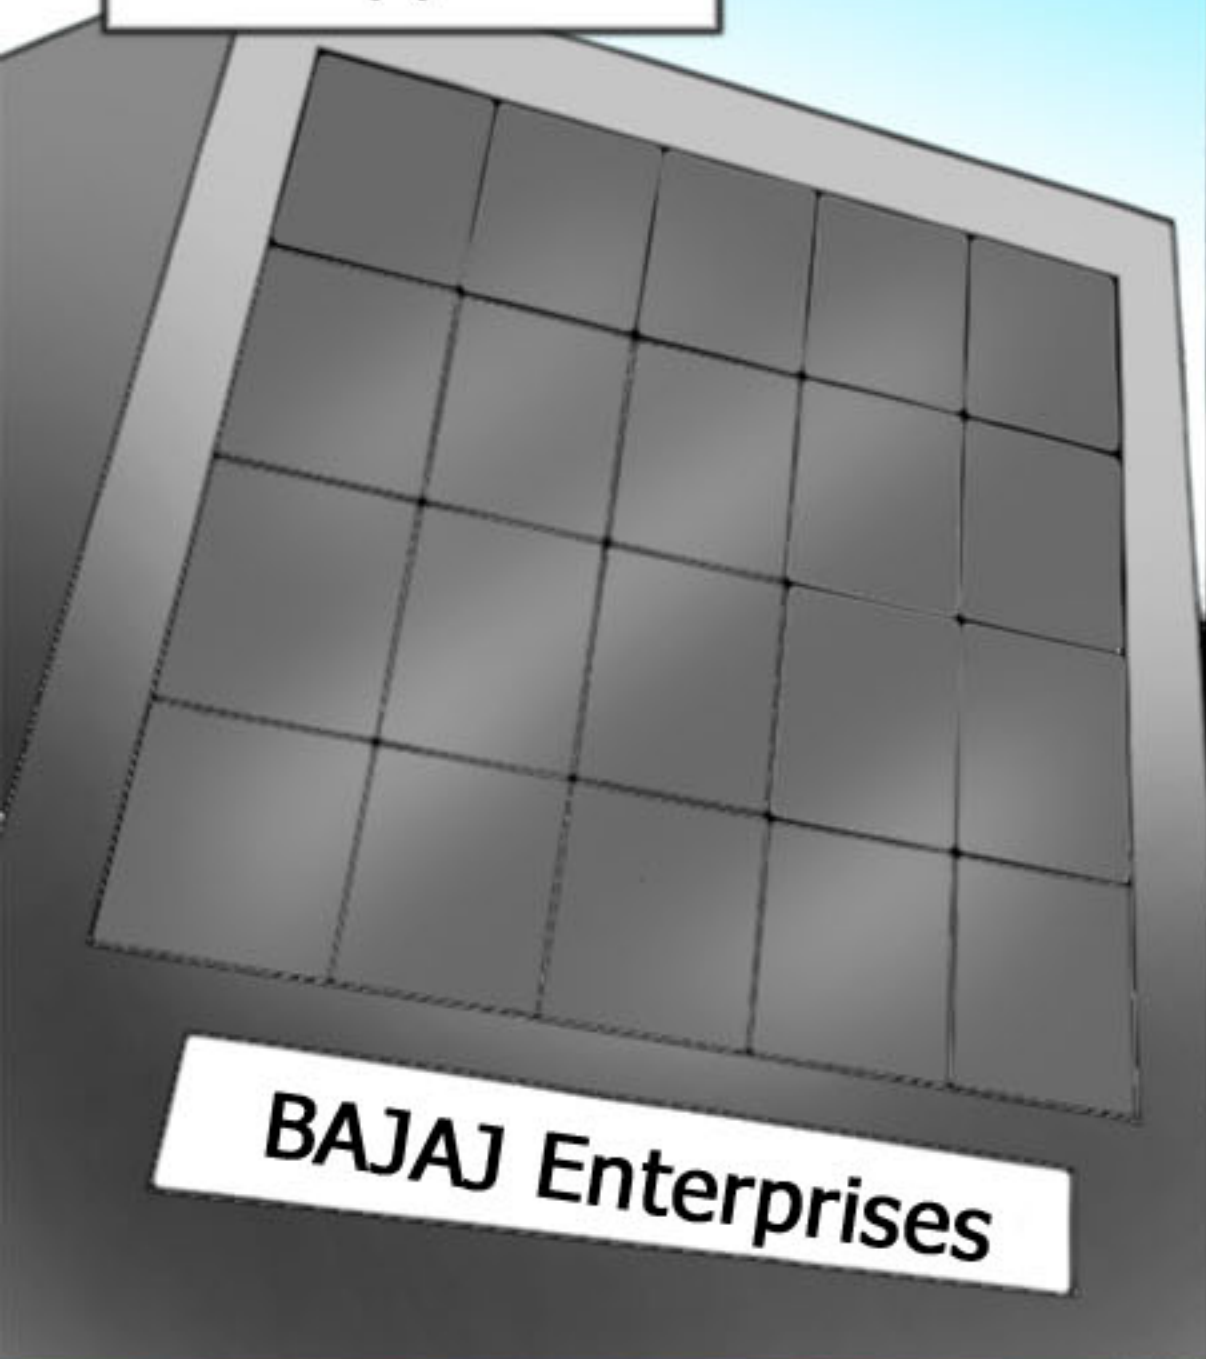

At Mr. Bajaj's office...

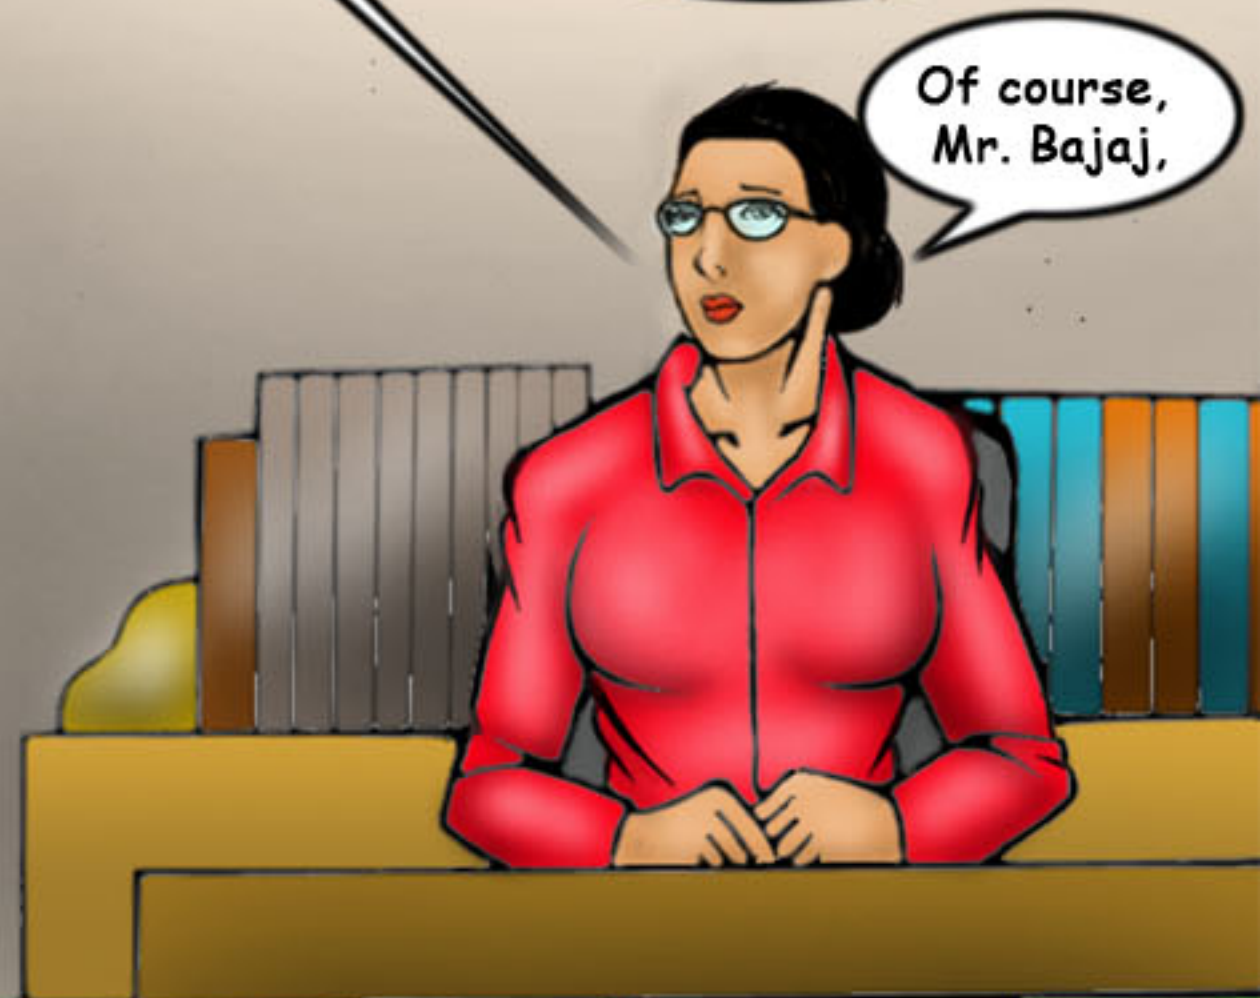

Yes?

Please come  
to my cabin,

I need your help.

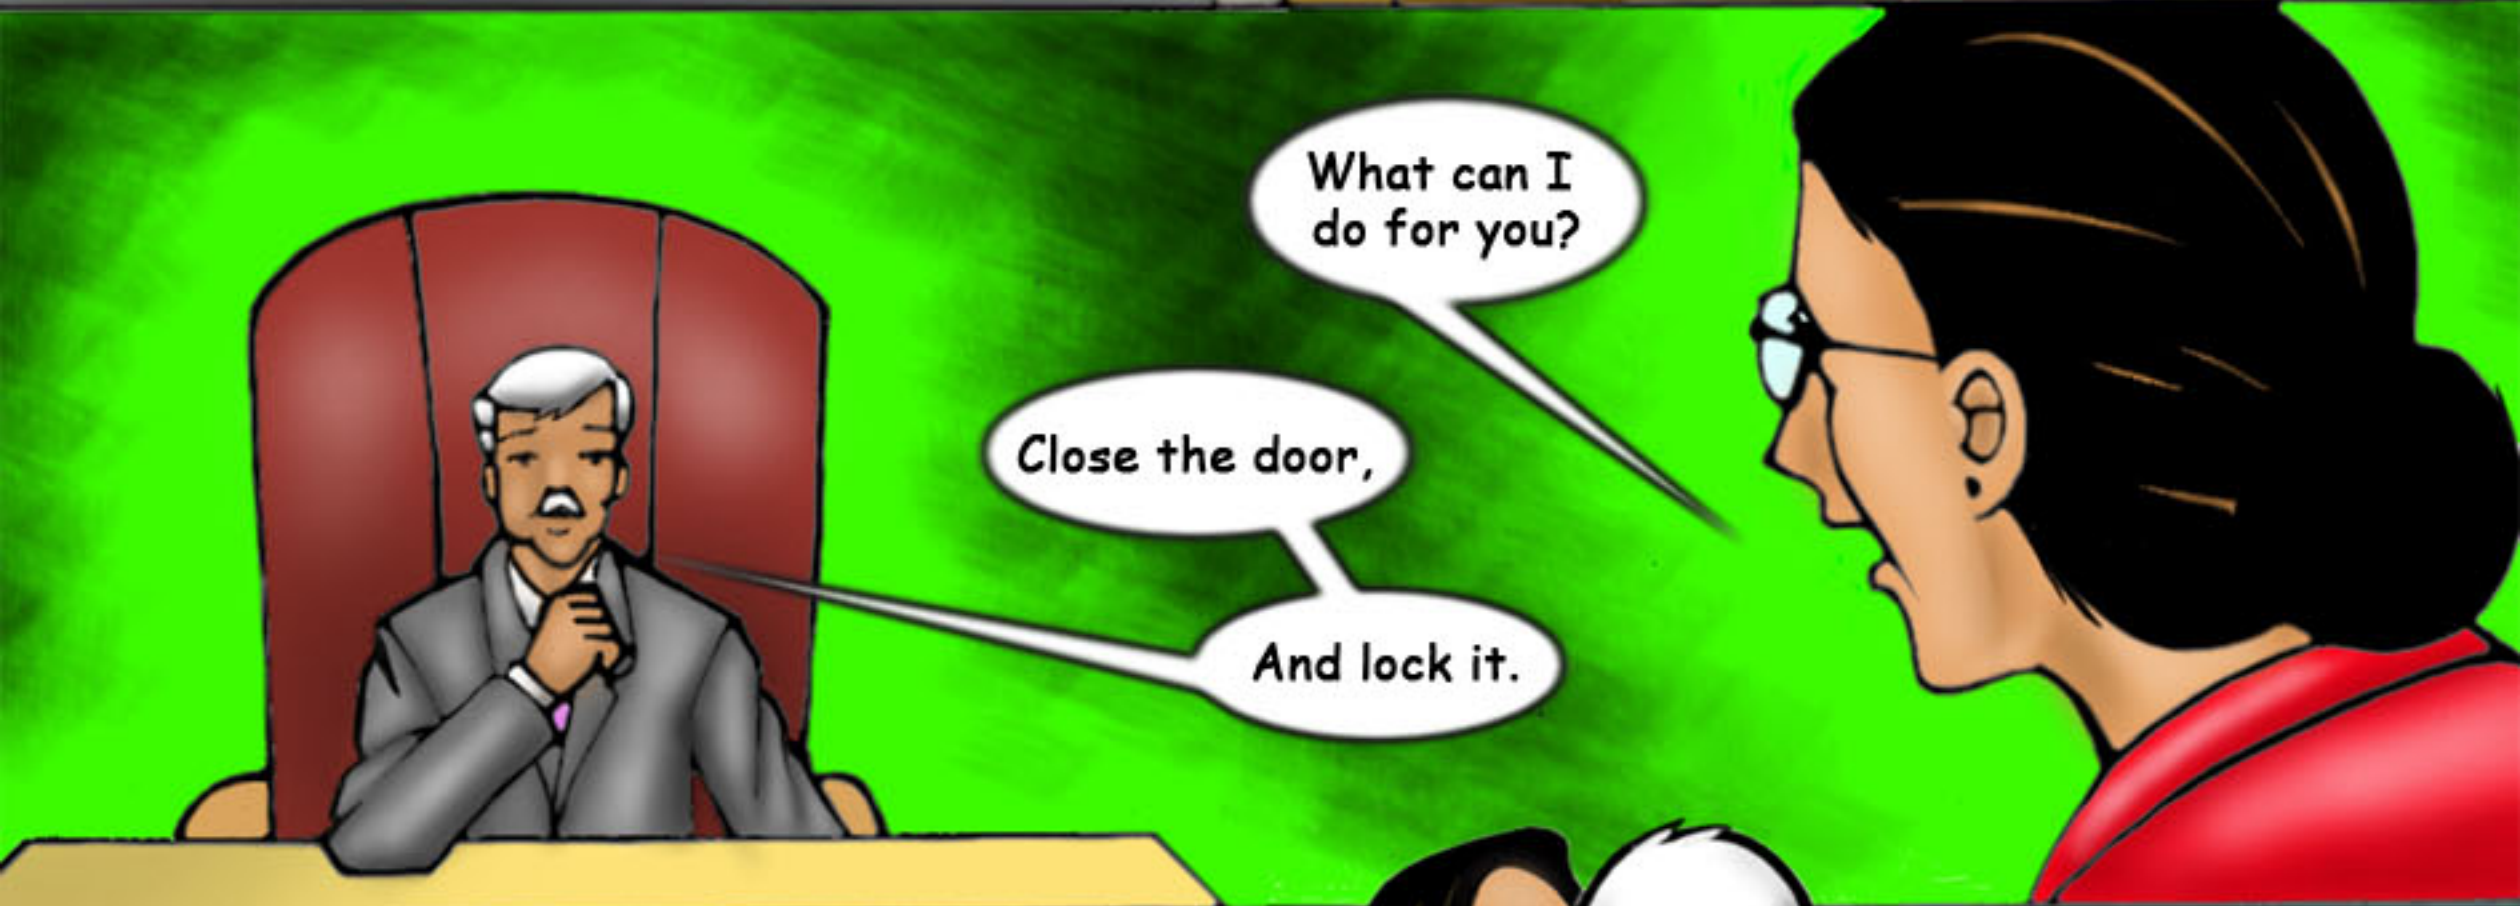

Of course,  
Mr. Bajaj,

What can I  
do for you?

Close the door,

And lock it.

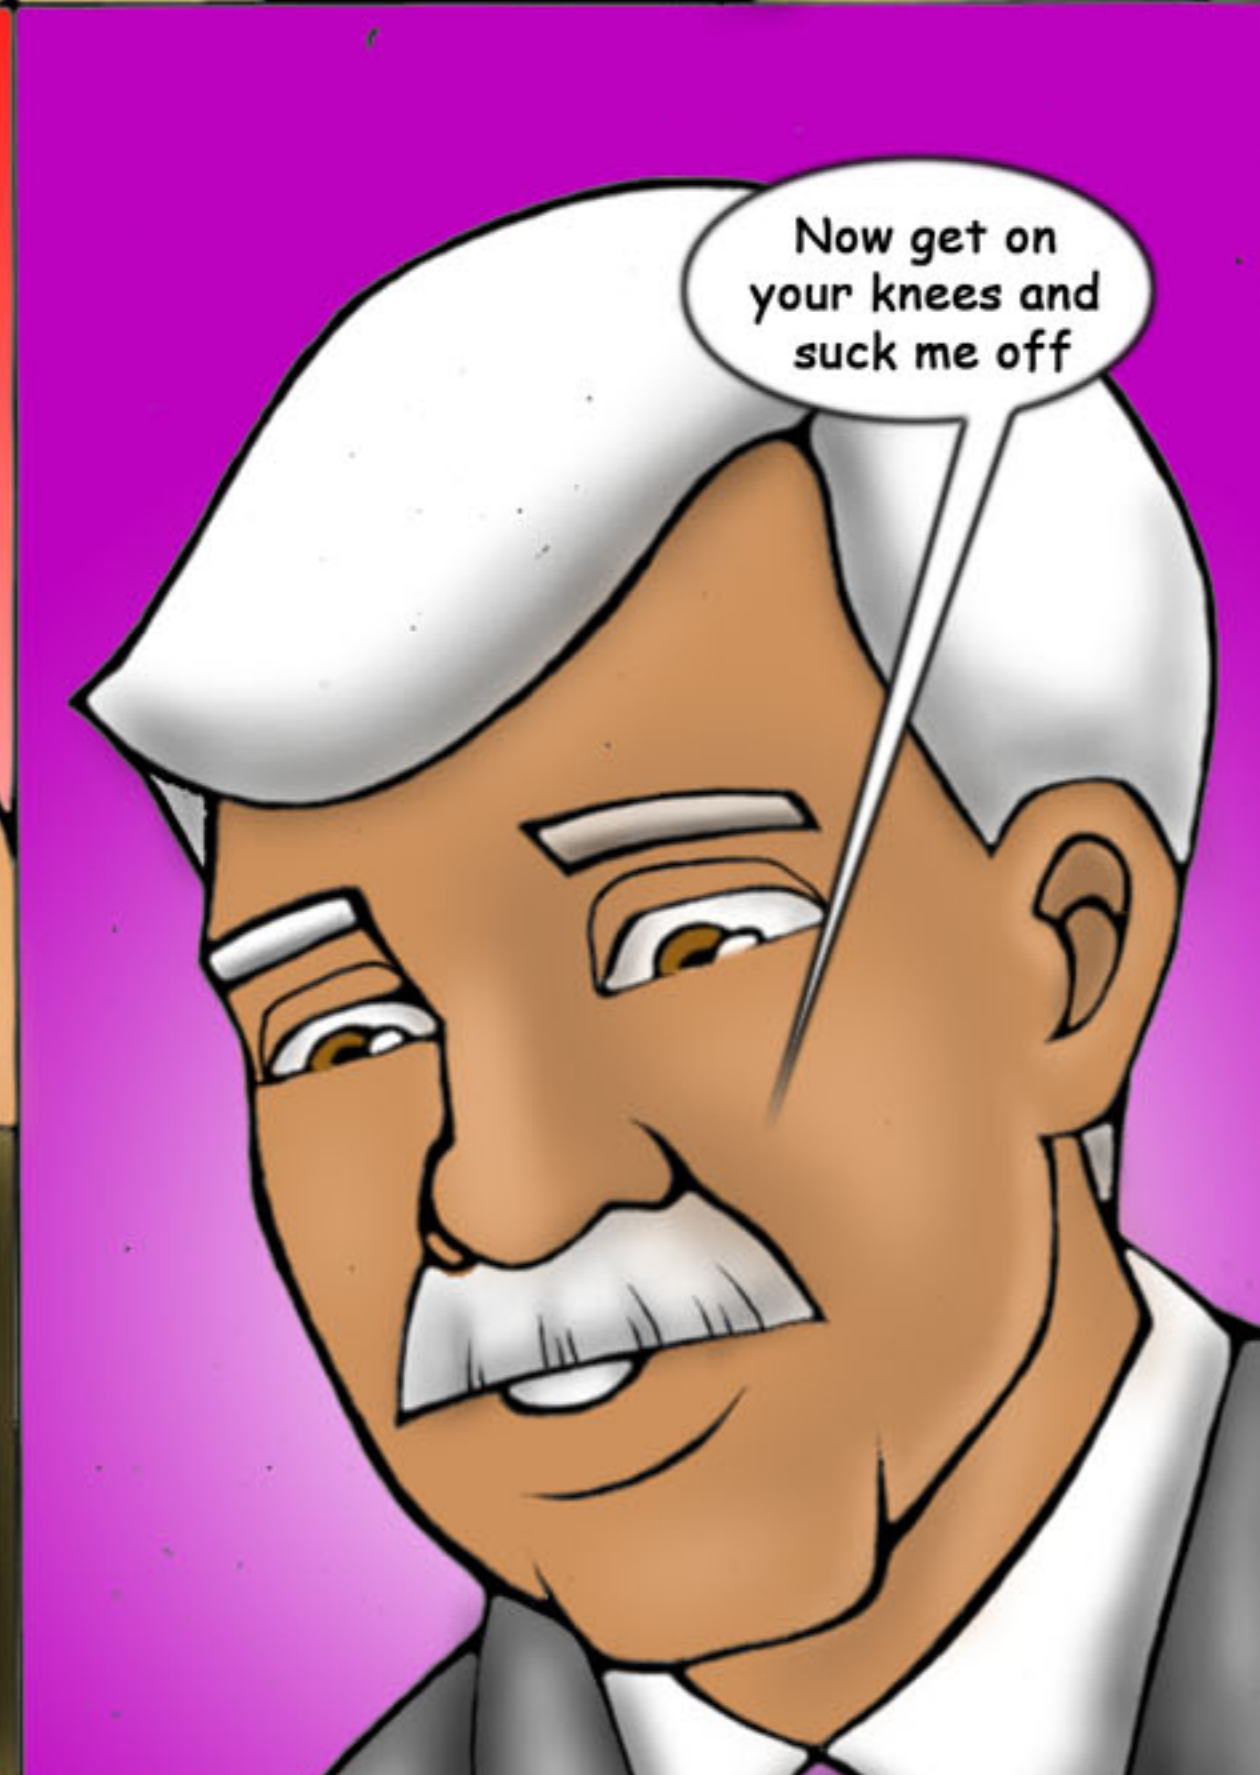

I need you  
to take some  
dick-tation...

and it  
might get a little  
messy.

I'm almost ready, Ms. Ruchi,

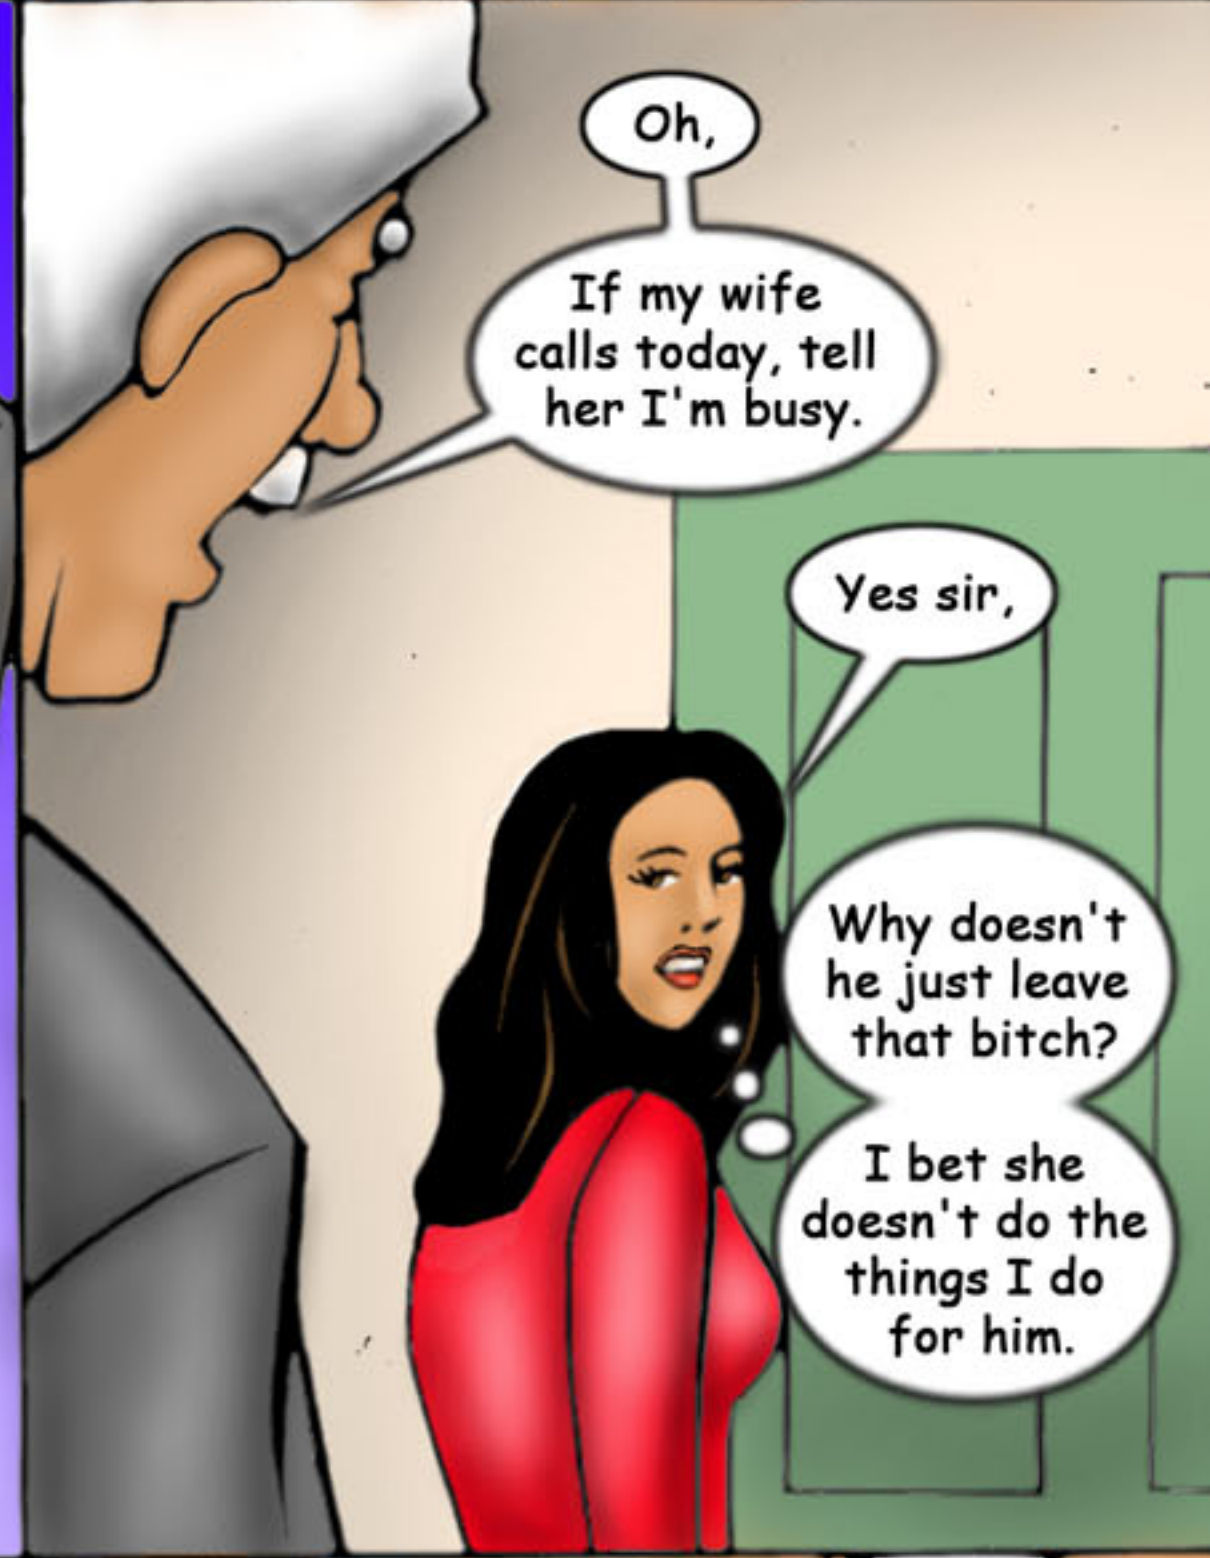

Now!

That was amazing as always, sir,

Just like in the videos you like to watch.

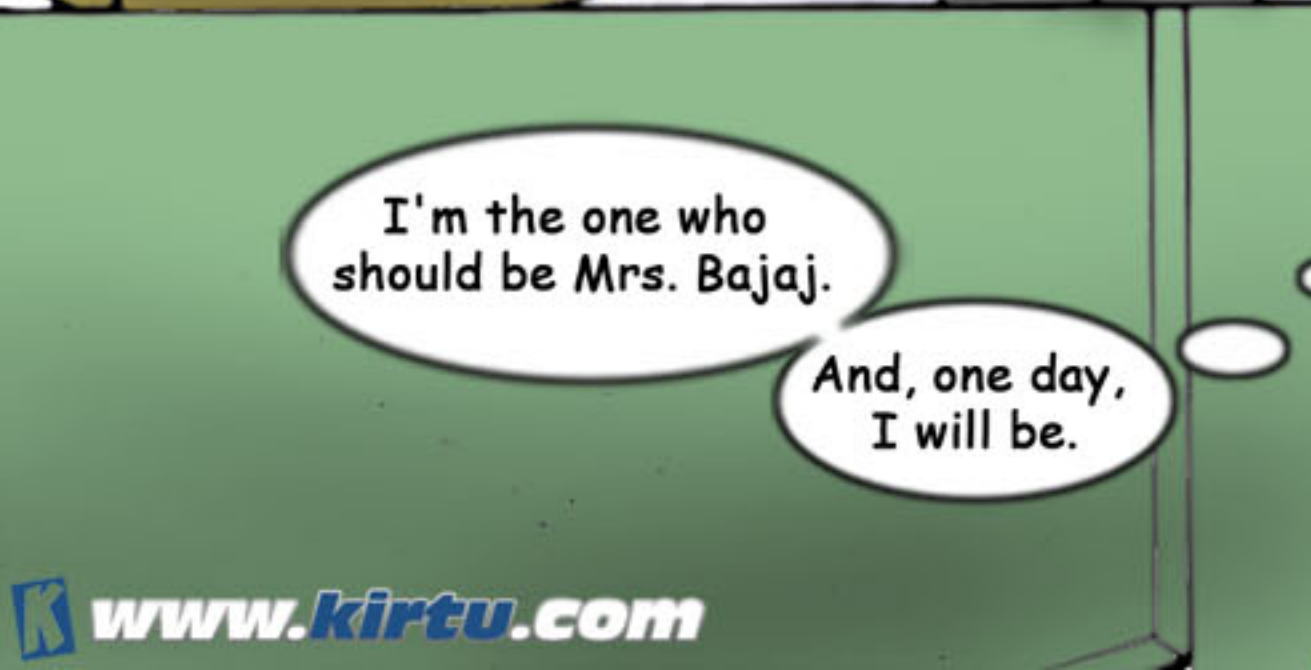

Oh,

If my wife calls today, tell her I'm busy.

Yes sir,

Why doesn't he just leave that bitch?

I bet she doesn't do the things I do for him.

I'm the one who should be Mrs. Bajaj.

And, one day, I will be.

Thanks for the show, miss!

Come in,

Did I get you out of the bath?

No,

It's just so hot today and this was the best way to stay cool.

It always gets hot in here whenever your parent are away.

HAHAHA

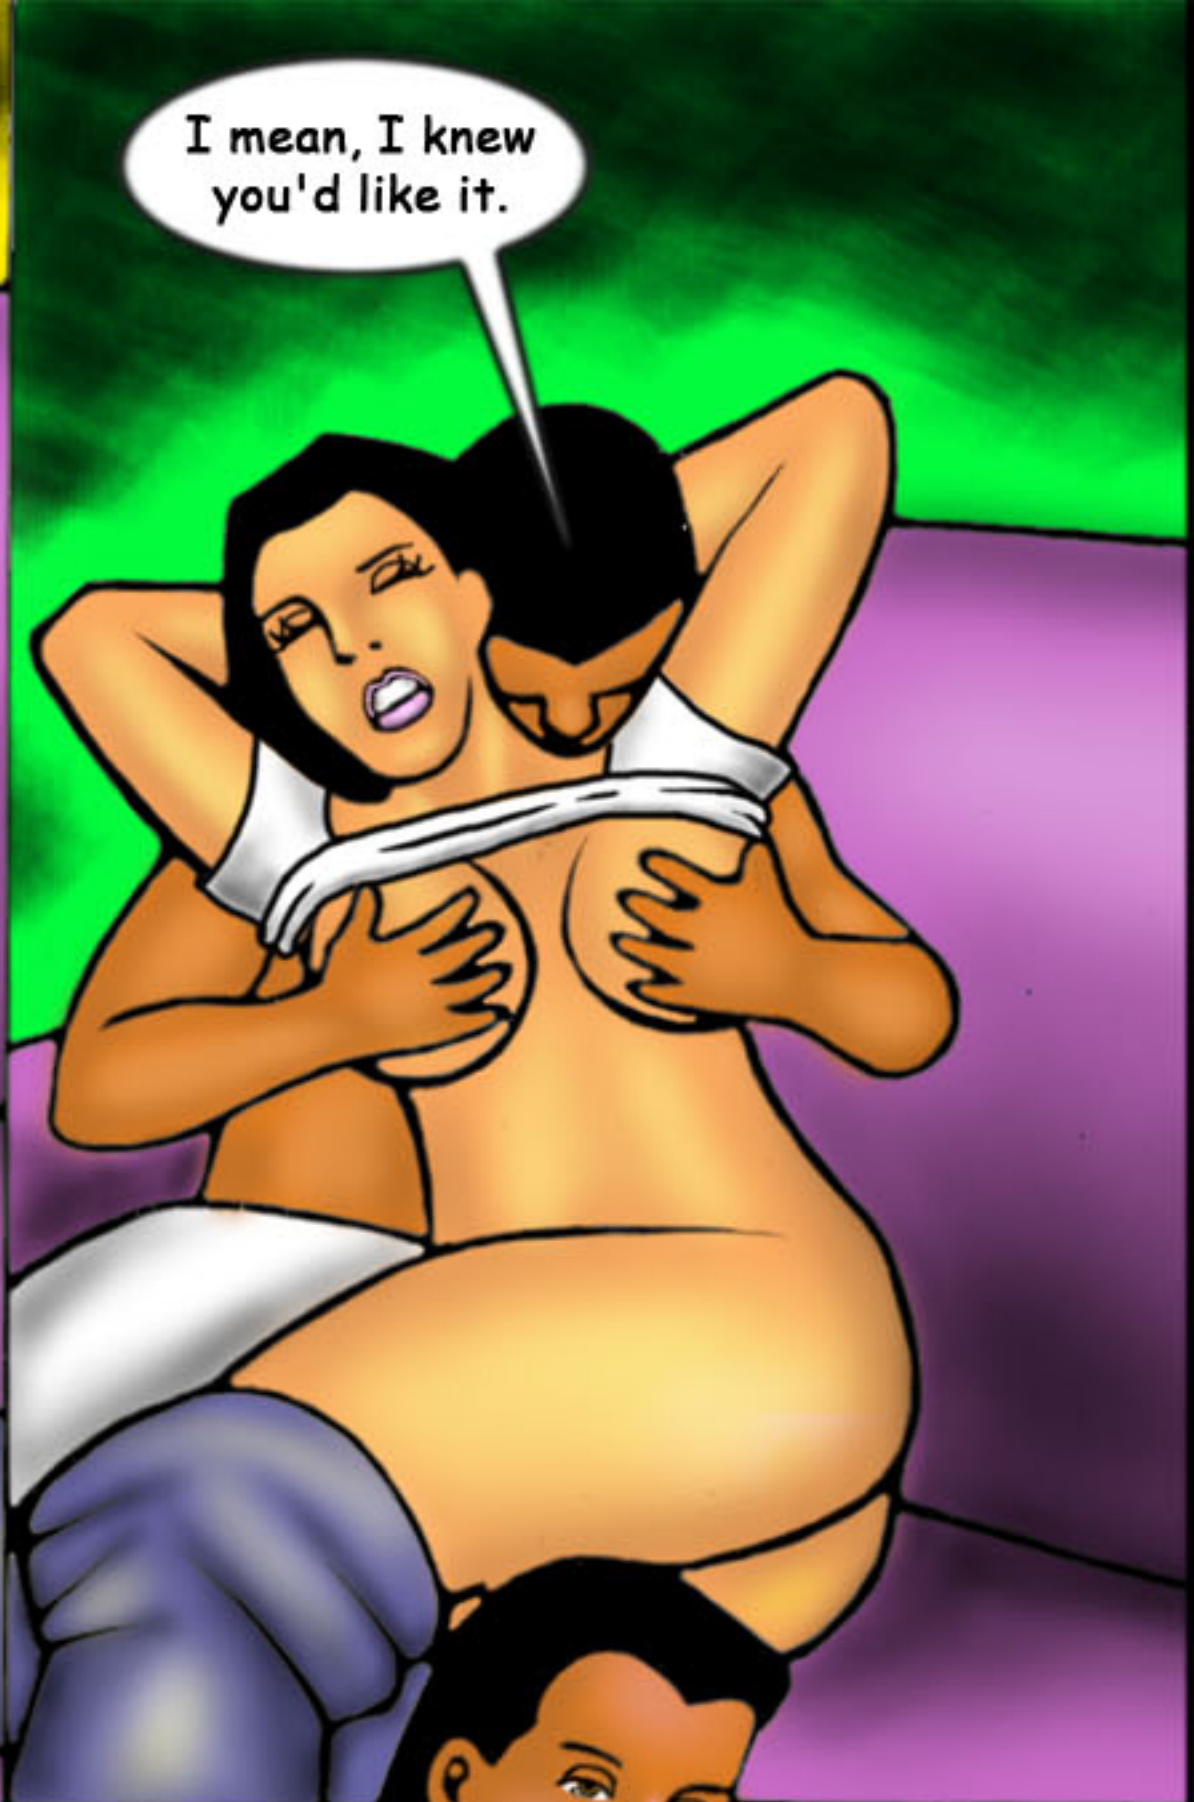

Let me show you something.

What is it?

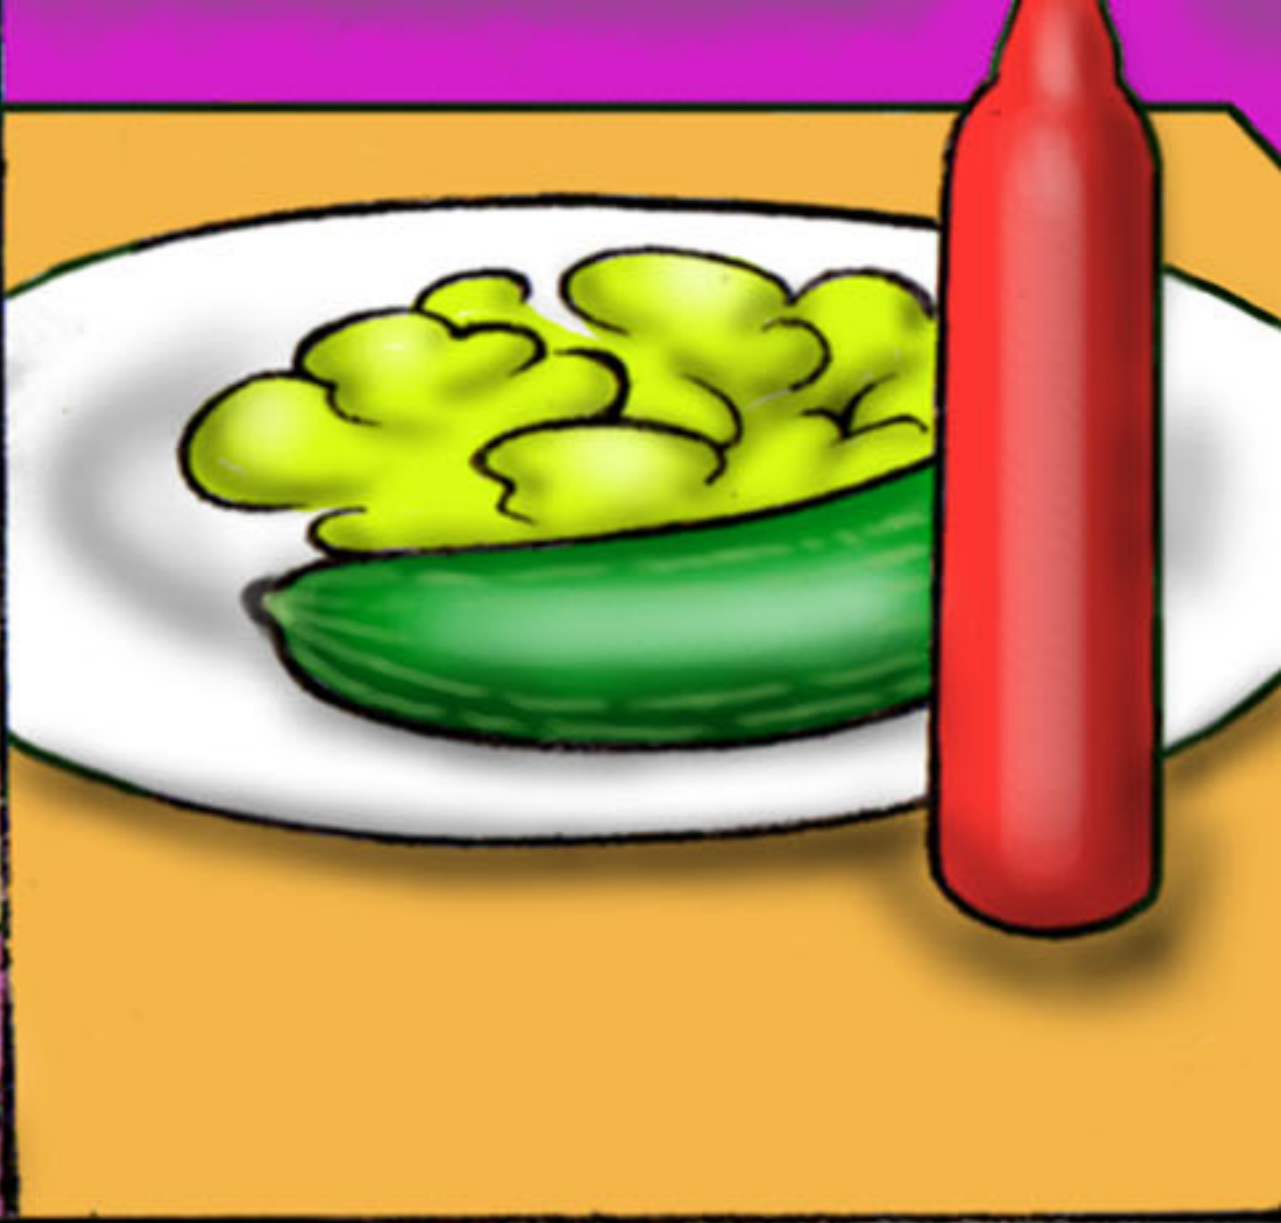

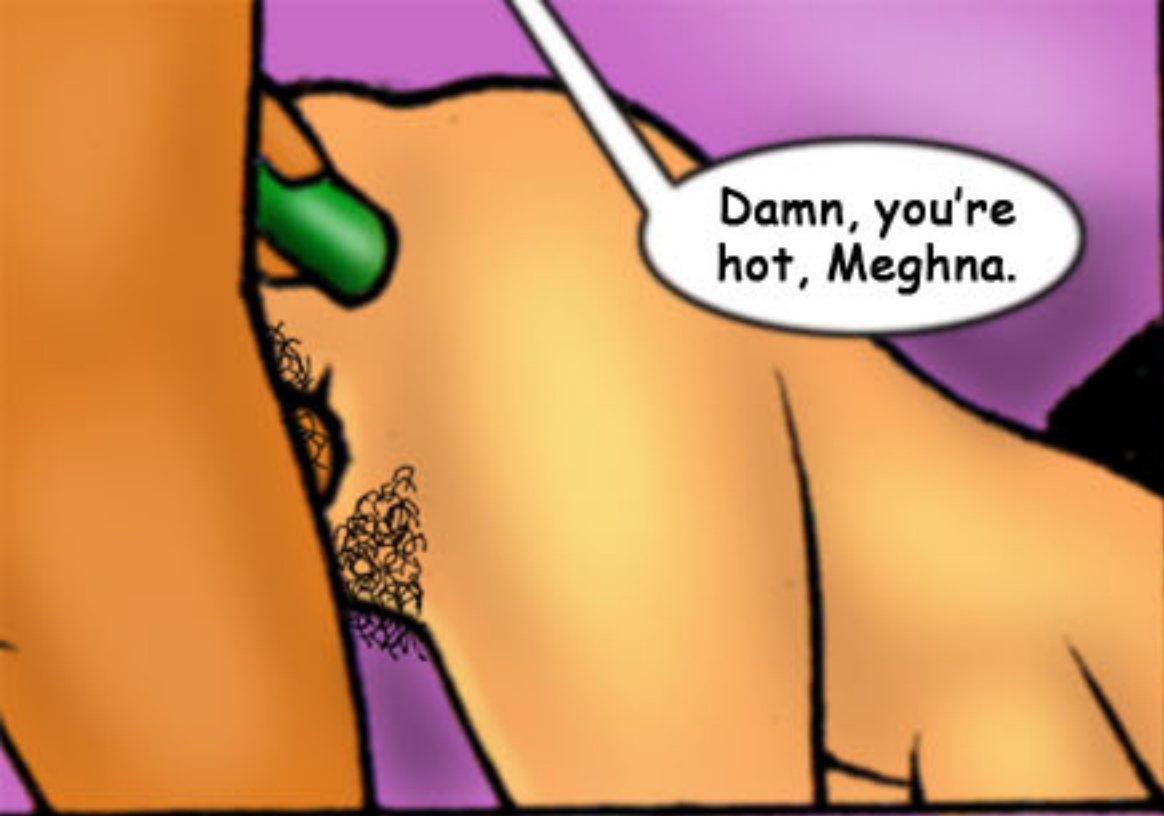

Damn, you're hot, Meghna.

Stop.

I want it the other way.

I knew it was too good to be true.

The other way?

I can't see the action that way, silly.

We're going to end up with a raita.

Yeeeeessss!!!

I've never  
had an orgasm that  
strong before.

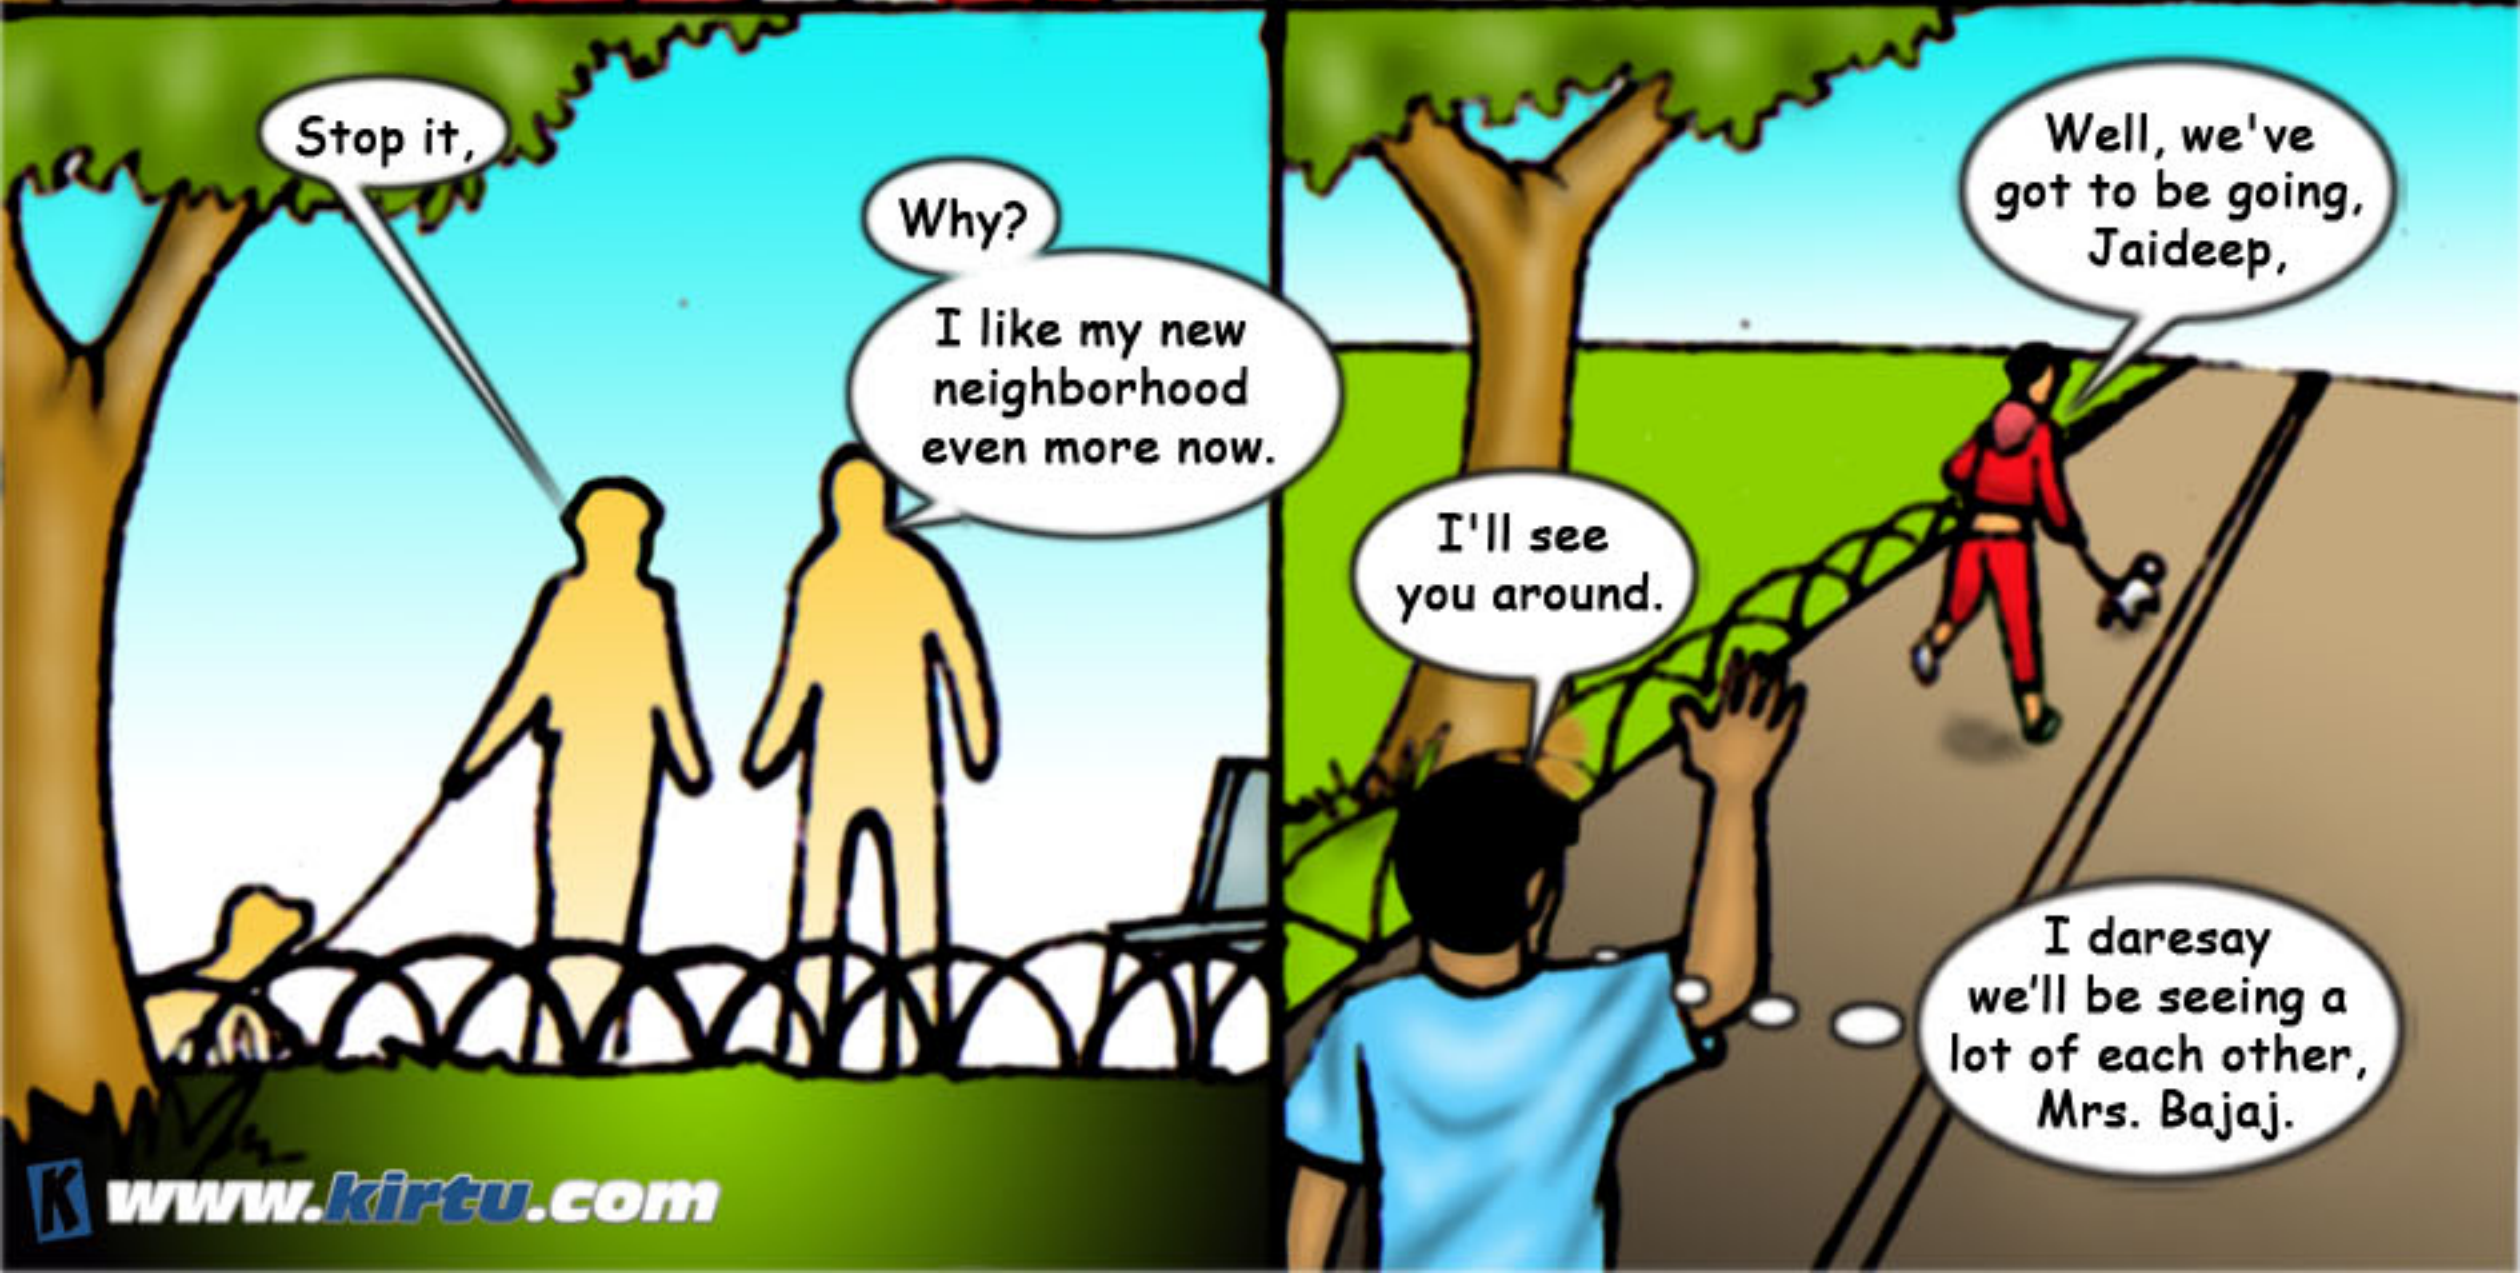

Me neither

I'm...cumming!

Back at Bungalow 69...

DING

Can I help you?

My name is  
Karan Bajaj,  
the brother of your  
new father-in-law.

Come in,

Oh, I  
apologize...

We were  
introduced at  
the wedding,...

I don't  
expect you to  
remember.

By the way, my dear.  
You shouldn't be answering  
the door. That's what  
servants are for.

I waited for  
a moment but figured  
they must busy.

Busy?

I wouldn't mind getting into bed with this bride!

...and with her married to Jitesh, my wish may actually come true!

To be Continued...
